Bob Jablonski is AREA's 2016 President-Elect, a past president and honorary member of CREB®, and a REALTOR® with Re/Max First in Calgary. Bob has been a REALTOR® since 1987, and currently works alongside his son, David, who is his business partner. Bob enjoys the fast pace of the real estate industry and how it's rapidly changing, which motivates him to stay current on trends and best practices.

Outside of real estate, Bob coached boys youth baseball for 17 years, and served on the board of directors of Babe Ruth Baseball for five years, including as the organization's president in 2006 and 2007. He is married, and has two children, son David and daughter Laura, two grandsons, and one granddaughter. He enjoys being competitive in most aspects of life, including pool (eight ball), golf and even karaoke; and, of course, real estate.
