

Ian Burns

Ian Burns is the Chief Executive Officer of the Alberta Real Estate Association (AREA).

In Mr. Burns' role, he works with the AREA Board of Directors, AREA staff and all industry groups in the execution of AREA's strategic plan. He also works with and for the Alberta REALTORS® and 10 local real estate Boards and Associations that form AREA's membership.

With the majority of his career in regulated industries (telecommunications, banking retail finance, and insurance), and as the leader for two federally regulated insurance companies, Mr. Burns possesses a strong portfolio of governance and regulatory work to go along with extensive corporate operational experience.

Mr. Burns holds an MBA from the University of Regina and a Bachelor of Arts in Political Science from the University of Calgary.
